

The Scottish Centre for Children with Motor Impairments

Image Consent Form

Name of child:

Occasionally, we may take photographs of the children that use our services. We use these images as part of the Centre's displays and sometimes in other printed publications. We will also use them on our website and social media sites.

If we use photographs of individual children, we will not use their name in the accompanying text or photo caption. If we name a child in the text, we will not use a photograph of them to accompany the article. If a child has won an award and the parent would like the name of their child to accompany their picture, we will obtain permission from the parent before using the image.

Records of Achievement are used to celebrate your child's progress throughout the Centre. Photographs of individuals, groups or classes of children may appear in these records.

From time to time, our Centre may be visited by the media who will take photographs or film footage of a high-profile event. Children may appear in these images, which will sometimes be published in local or national newspapers, or on approved website.

To comply with the Data Protection Act 1988, we need your permission before we can photograph or make any recordings of your child. Please answer the questions below then sign and date the form, where shown, and return the completed form to the centre admin.
